# NATURE SPIRITS

Underneath the rocks and leaves, hidden in the trees and grassy mounds of Shield Tree Wood are the dwellings of the Underworld Folk. Living in another world, our Nature Spirits lurk, where time and space are quite different to anything we're used to.

When you choose our Nature Spirits party you will discover and learn about some of our resident Spirits, including- The Nisse Gnome, fairies, giants, dwarves and dragons.

Follow the tracks around the woods of the royal fairy grand procession to uncover their fairy ring, where the King and Queen danced on the previous night.

## Play Sleeping Giants

Play as free as the sprits in our mud kitchen and make soup to offer to the Ash Tree Wife, she gets grumpy if she's hungry! or make dens for our sun shy Dwarves.

Tomte, our Nisse Gnome watches over Shield Tree Wood and protects the land. At your party, have a go at making your own Tomte to take home.

Finish with a story about dragons under Yggdrasil the Ash Tree.

Campfire lunch - pizza or sausages in buns, hot chocolate/juice, fairy toadstool marshmallows and campfire popcorn for dessert.

# OUTLAWS WANTED

Lie low in Shield Tree Wood with your merry men and women. The sheriff has branded you as outlaws for thievery, after you took back the gold which was rightfully the poor's.

Build shelters to hide and protect yourselves from the elements and the Sheriff.
